The screenshot shows a photo gallery interface with a teal header containing navigation links: ADD PHOTOS, MY PHOTOS, MY PROJECTS (10), and SHOP. Below the header is a navigation bar with tabs for Photos, Albums (selected), and MY ALBUMS. A dropdown menu shows 'Jump to AUG 2016'. The main content area is divided into sections for August 2016 and June 2016. In the August 2016 section, there are two album thumbnails: one for 'album 08/08/2016' with 3 Photos (showing a group of people in yellow jackets on a boat) and one for 'album 08/02/2016' with 1 Photo (showing colorful towels hanging on a rack). In the June 2016 section, there is one album thumbnail for 'Captiva 2016' with 329 Photos (showing a family walking on a beach). On the left side of the interface is a sidebar with icons and labels for various actions: Order Prints, Make a Book, Make a Canvas, Make a Card, and Make Gifts. An orange arrow points from the text on the left towards the 'Make a Book' option in the sidebar.

WEBSITES I'VE USED

Snapfish.com	}	Two reliable websites. Been around for a long time.
Shutterfly.com		
Picaboo.com		My current favorite. Have lots of backgrounds.
Mixbook.com		More complex. Have lots of beautiful layers as in paper scrapbooking.
Walgreens.com		Has same day pickup on 30 page 8x11 book
Collage.com		They have lots of creative items to make; the patio pillow came from here.
