My Favorite National Socialist

If someone were to ask me who my favorite National Socialist is, I would have to say that among Hitler's top staff during the Third Reich, Paul Joseph Goebbels (28 October 1897 - 1 May 1945) is the one. He was arguably the most loyal to Hitler. Dr. Goebbels was named a Ph.D. from Humboldt University in 1921, was born in Berlin, an industrial town south of Brandenburg, and was a member of the Sturmabteilung (SA) during the Weimar Republic. He was involved in a gun battle and later a tank attack on the Reichstag in Berlin and was killed on the front lines in World War II. He also wrote several novels and plays, among them the novel 'The Death of a Hero' and 'The Death of a Hero'.

RICKY VAUGHN - GAB

View PDF 1

“**Ricky Vaughn**” is a prominent figure from the **alt-right** movement who gained notoriety after his *Twitter* account was suspended in 2016. The user takes their name from the character, Ricky Vaughn, in the movie **Major League**, played by Charlie Sheen. Following his *Twitter* suspension, **Vaughn** migrated to *Gab*, a social network popular with the **alt-right** and other extremists because they have no restrictions on hate speech. Vaughn now has over 25,000 followers and uses *Gab* to connect with other figures in the **alt-right** community. Vaughn’s *Gab* posts defame minority groups including Jews and the LGBTQ community, with one referring to **Sadiq Khan**, Mayor of London, as a “Whiny faggot Moslem Mayor”.

GAB

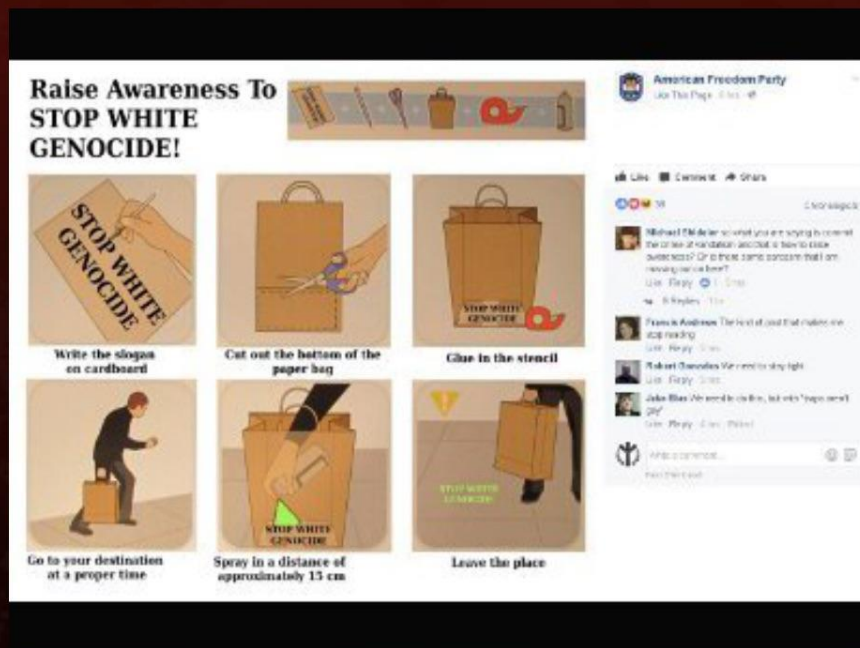

- Created in August 2016
- Founder Andrew Torba stated “What makes the entirely left-leaning Big Social monopoly qualified to tell us what is ‘news’ and what is ‘trending’ and to define what “harassment” means?”
- Removed from YCombinator for threatening and harassing statements
- Claims his Frog logo comes from the Bible. (Exodus 8)

IT'S OKAY TO BE WHITE

[View PDF 1](#)[View PDF 2](#)[View PDF 3](#)

“It’s Okay to Be White” (IOTBW) was a campaign launched on 4chan’s “Politically Incorrect” thread by members of the far-right in late 2017. **IOTBW** is a slogan that has been utilized by the far-right in the past to promote white supremacy. Readers were encouraged to print out uniform, provocative posters with the slogan and put them across campuses and communities on Halloween. The campaign’s goal was that they would be perceived as racist, and the media and the left would react in a manner that would supposedly expose their anti-white agenda. The campaign gained support from prominent white supremacists including **David Duke**. The hashtag trended on *Twitter* and was utilized by numerous organizations and individuals from the far-right. The posters were reported on campuses across the USA and Canada. The theme continues to be widely spread during 2018.

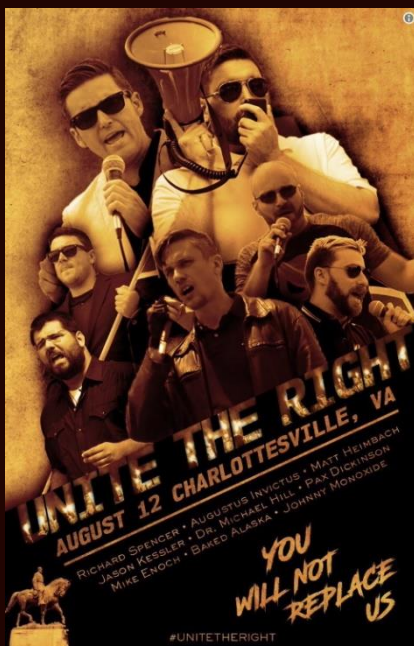

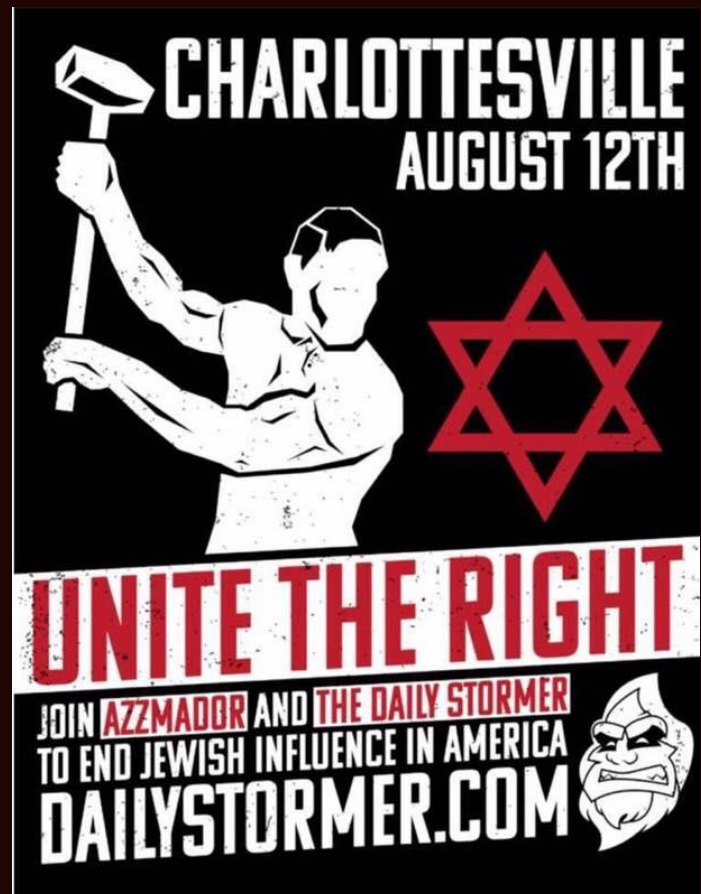

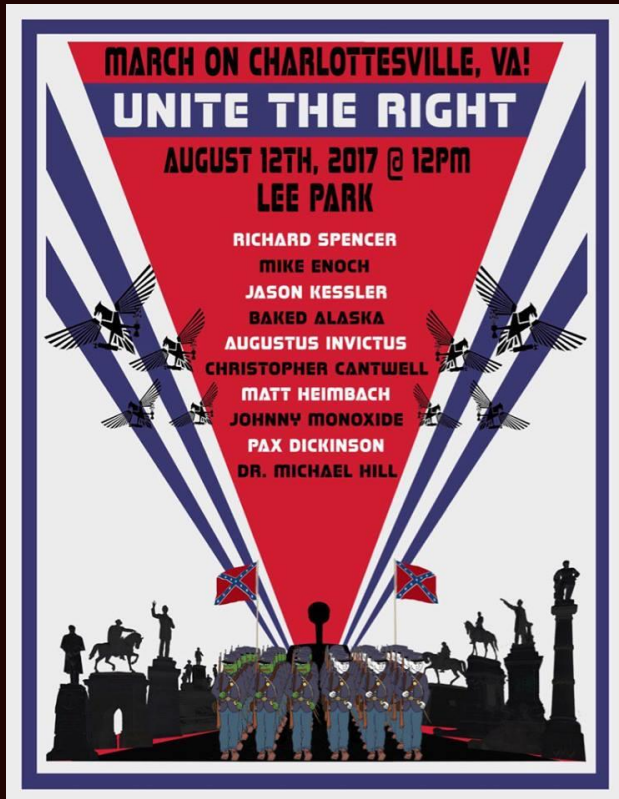

STOP WHITE GENOCIDE-AMERICAN FREEDOM PARTY

[View PDF 1](#)

This posting to the **American Freedom Party (AFP)** Facebook page suggested followers commit vandalism by surreptitiously spray-painting the phrase “Stop White Genocide” (through a paper bag with a stencil inside) at locations of their choice. **American Freedom Party** is white supremacist group masquerading as a political party. The group’s leadership includes **William Daniel Johnson**, a long-time white supremacist who promoted an Amendment to the Constitution proposing that only those of white, northern-European heritage could be US citizens and **Kevin MacDonald** a former Cal State University Long Beach professor who taught that Judaism is “group evolutionary strategy” to all allow Jews to out compete others for resources. **AFP’s** Speakers Bureau includes **Paul Fromm**, a white supremacist and Holocaust denier from Canada, and recently added **Mark Weber**, Director of the Holocaust denying **Institute for Historical Review**.

GoyFundMe describes itself as a “free-speech alternative to more mainstream crowdfunding websites... dedicated to the principles of liberty and freedom of speech.” **GoyFundMe** was created by **Matthew Parrott**, leader of the **neo-Nazi Traditionalist Worker Party**, in 2017. They consider themselves an “alt-tech” company. This category includes other sites such as *Gab* and *Hatreon* which were created in the wake of mainstream services such as *Twitter*, *PayPal* and *Patreon* shutting accounts for violations of terms of policy regarding hate speech and extremism. The name **GoyFundMe** indicates alt-right sympathies (the term “Goy” being requisitioned by the alt-right to refer to themselves - non-Jews who are aware of a global conspiratorial Jewish lobby). The **National Socialist Movement (NSM)** posted this **GoyFundMe** to raise money to fight two lawsuits emanating from the deadly *Unite the Right* rally in Charlottesville, VA., in August 2017.

The Identitarian movement is part of the alt-right. The description for the subverse states that Identitarians “aim to preserve the ethnocultural identity of Europe”, and that they are against “the Islamisation” and “globalization” of European countries and their counterparts. They also believe that white people are being replaced with “non-Europeans”. Discord is a private messaging app specifically designed for gamers. It has been promoted by extremists on *Telegram* and other platforms as an app to use for secure communications. Once a non-political arena, in recent years gaming has become more political and alt-Right adherents consider it a major source for new recruits. This phenomenon is due to a new, younger generation of alt-Right leaders who grew up as gamers themselves.

يقول سيد قطب تقبله الله :

" ولما كان الكف عن الإنفاق، أو التقدم بالرديء الخبيث ، إنما ينشأ عن دوافع السوء ، وعن تززع اليقين فيما عند الله ، وعن الخوف من الإملاق الذي لا يساور نفساً تتصل بالله ، وتعتمد عليه ، وتترك أن مرد ما عندها إليه ..
كشف الله للذين آمنوا عن هذه الدوافع لتبدو لهم عارية ، وليعرفوا من أين تنبت النفوس ؛ وما الذي يثيرها في القلوب ..
إنه الشيطان ..
{ الشَّيْطَانُ يَعِدُكُمُ الْفَقْرَ وَيَأْمُرُكُم بِالْفَحْشَاءِ وَاللَّهُ يَعِدُكُم مَّغْفِرَةً مِنْهُ وَفَضْلاً وَاللَّهُ وَاسِعٌ عَلِيمٌ (268) يُؤْتِي الْحِكْمَةَ مَنْ يَشَاءُ وَمَنْ يُؤْتَ الْحِكْمَةَ فَقَدْ أُوتِيَ خَيْرًا كَثِيرًا وَمَا يَذَّكَّرُ إِلَّا أُولُو الْأَلْبَابِ (269) } . "
