TECH NIGHT OCTOBER 9, 2017, 7 P.M.

The Latest Technology

Freddy Peralta, owner of Ky Trade, is back this month to surprise us with the latest and coolest technology. He will be talking about the newest components and software. He will be accompanied by his technology experts. He will share his latest "Freddy's Tips" and outline steps that we can take in the event our computer is attacked by a virus, or if it crashes.

What are Cookies?

by Melanie Birnbaum, Century Village Computer Club, Florida

<http://www.cvcomputerclub.com>

First, and contrary to popular belief, cookies are NOT programs. They don't do anything at all. They are simple 'text files' which you can read using the Notebook program

account of that fact. For instance, it can be helpful to vary content according to whether this is your first ever visit to a site – or your 71st.
