Volunteer of the Year

Recognize a volunteer in your group
as the Don Singleton 2020 Volunteer of the Year
Only open to APCUG-member groups

Do you have a volunteer who is using his/her skills and experience to make a significant difference in your group? APCUG is seeking nominations for the Don Singleton Volunteer of the Year award which recognizes the importance of volunteers to APCUG's member groups.

Volunteers are the backbone of APCUG and its member groups; they are what keep their group viable. Volunteers come in all shapes, sizes, and personalities plus they all have a different reason for volunteering. They are idea people and do-it people. All user group volunteers have this in common: their advocacy for technology and their dedication and commitment to their group.

APCUG established the award to honor Don Singleton, a long-time volunteer who was a Director for many years as well as the webmaster and Reports editor.

This year's nominations will begin on September 7 and end on September 30. The recipient will be announced at the 2020 annual meeting, following the November 7 VTC. A plaque will be sent to the group to present to their VOTY.

Three judges will objectively evaluate candidates against the below selection criteria.

1. Brief explanation of why you feel your group's nominee should receive the Don Singleton Volunteer of the Year award.
2. Describe how your volunteer has made a difference to your group. For example: Show specific examples of your volunteer's roles and responsibilities.
3. Explain how your volunteer has shown initiative and leadership in his or her efforts.

Note: When filling in the Google form, please be sure to fully complete each of the sections; thank you for not using the same information for each section.

If your group has had a VOTY awardee, thanks for not submitting another entry.

Receipt of your submission will be acknowledged via email.
