March 2020 Monthly Meeting
Thursday, March 5th
6:30 PM, Clickers Office Bldg.

Main Topic:
East Baton Rouge Parish Library Update

Speaker:
Andrew Tadman
Reference Coordinator
EBR Library

Andrew Tadman is the Coordinator for the East Baton Rouge Parish Library System. He has been with the library for over 13 years following graduation from LSU. Andrew has a keen

Reference

There are also many improvements and renovations underway. He will give us an update on the new downtown library which is about to open. With all the past issues, be sure to attend to find out what this facility will be like.

EAST BATON ROUGE PARISH LIBRARY

Sharing the Knowledge

Our club serves as a method to pass new developments among our members. If you have moved on to newer hardware or software, please consider finding a way to "share the knowledge" with other interested club members.

Next CAMUG Meeting, April 20, 2020
Using Zoom

We cannot meet together at our usual location because of COVID-19, but we are still having a meeting! We will be meeting online using Zoom. See the article below to learn a little about Zoom. Let's have a big crowd!

6 PM SIG: "Demo of Ninite.com and CAMUG blog" by Dennis Smith and Tim Elder and maybe "How to Sign up for a APCUG VTC"

7 PM Regular Meeting: "Setting Up a Router" by Dennis Smith and Jan Bredon

About Our Zoom Meeting

As noted above, we will meet for the April 20th CAMUG meeting using Zoom. This way we can stay home and still meet together! You'll have to provide your own refreshments, however.

If you have watched any of the APCUG Virtual Technology Conferences, you have already used Zoom. This will be slightly different because we'll be able to see each other and talk with each other.

The President's Platform
Grover Mudd, President
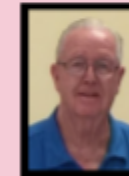

Dear Members,

The February Volunteer of the Month is: Fran Robitalle.

We have an exceptionally good laptop for this month's computer raffle. It is loaded with an i7 processor, 250 SSD and 8G of memory. If you are in the need for a laptop, this is a great deal for a $5 raffle ticket. See the women at the raffle table to take your chance on it.

We are still in need of computer mice and keyboards. If you have any to donate, we would appreciate it.

Computer Booters of Sun Lakes

February 2020

General Meeting:
Wednesday, February 5, 2020
5:00 p.m. Special Workshop
6:30 p.m. Meeting
Topic: Internet Security

Navajo Room, Sun Lakes Country Club

Internet security and watching out for those pesky viruses is something we all need to be aware of. **Our February speaker** will show us the way to play safe on the Internet!

After a successful career in banking, Norbert "**Bob**" **Gostischa** enjoys his retirement as an enthusiastic IT security expert for Avast Software, maker of the most trusted antivirus program in the world, proudly protecting more than 230 million devices from hackers, thieves, spies, etc. in 186 countries.

It's been a few years since Bob visited us. At the February 5 meeting he'll discuss the consolidation of all the products Avast offers. What they do, how they help protect you, what's free and what requires a purchase? This presentation will also include a more in-depth look at Avast's newest product, Avast Omni, which is security that protects you everywhere you connect. You will laugh, learn and enjoy Bob's presentation. This informative presentation is one you don't want to miss!

FileCenter

FileCenter

FileCenter is the low-cost leader in
Windows PC-based document management
software for homes and small offices.
It combines easy scanning and file
organization with powerful PDF creation
and editing. It stores your files on the
Windows file system and not in
complex databases. It includes OCR,
search, and integration with cloud services.

CAMUG
Computer User Group

The **C**anton, **A**lliance, **M**assillon **U**sers **G**roup (**CAMUG**) has been serving the Stark County community since 1983. We offer assistance to owners of Windows computers. Whether you are a new PC user, or have years of experience, we are here to help you get the most out of your computer.

Since we cannot meet in person at this time, **all CAMUG** meetings are being held via **Zoom**.
All members are emailed the monthly meeting invitations.
Visitors can request a meeting invitation by sending an email to info@camug.com

CAMUG is a member of **APCUG**!
