

An International
Association of Technology
& Computer User Groups

**Gabe Goldberg, Advisor, Region 2
DC, NJ, PA, VA**

Gabe evangelizes for user groups, believing they are an antidote to feeling alone with technical activities, challenges, problems, and triumphs. He's enjoyed being APCUG's Region 2 Advisor for many years.

Gabe served as Director of (Meeting) Programs for the Washington, DC-area CPCUG (Capitol PCUG), one of the oldest and largest PC user groups, where he organized and chaired the Internet SIG. He also served on the User Support Team for CPCUG's domain and on CPCUG's Board of Directors. He was founding member and director of several local user groups, and held management jobs in a national IBM user group. He has given hundreds of presentations to these and other groups and conferences. He has facilitated and helped exploit donations of commercial hardware and software to user groups. He's presently Director and APCUG Representative for PATACS, Potomac Area Technology and Computer Society <<http://patacs.org/>

Gabe is a technology writer, editor, and consultant targeting audiences from consumers to computer professionals.

He worked for a small software company as VP of Technology and Business Development, responsible for product planning, evolution, and development, along with documentation and customer support.

He also worked in the leading-edge data center of a federally-chartered not-for-profit consulting organization where he developed widely-used software tools aiding other installations' mainframe use; before that he designed and developed operating systems at IBM.

**Bill James, Advisor, Region 8
AR, KS, LA, OK, MO, TX**

Bill first became involved in a PC user's group in 1992 when he joined the Oklahoma PC User's Group now known as the Computer Club of Oklahoma City to learn more about the computer he had just purchased. He has been a member of the clubs' Board of Directors since 1998. Bill has served two terms as President and is currently serving as Vice President of Operations. He has recently gotten more involved with Home Automation using Google Home to automate his home and is loving his new Chromebook.

He is a member of the Windows 10 Insider Program and frequently gives presentations on new software to his club and is the go-to person on everything Android. The ccOKC meets every Thursday and Bill is the leader of the Q&A meeting, Windows Tips & Tricks meeting, as well as the Android SIG meeting. He is broadening his knowledge base with learning the MacOS and iOS for Apple products as well as Chromebooks.

As a member of APCUG's Speakers Bureau, he frequently gives presentations to member groups on Windows 10, Android devices, home automation, synchronizing devices, and now Chromebooks.

Bill attended his first APCUG Fall Conference in 2003. He is a past APCUG Region 6 Advisor and Treasurer and served on the APCUG Board of Directors from 2006 to 2009.

If Bill isn't working with technology, you'll find him driving his mustang; he is the Parade Coordinator for the Oklahoma Mustang Club. He is also an active member of Toastmasters International Club #627 and facilitates their Zoom meetings. Bill is also a member of the Board of Directors for North Care Center, a private non-profit behavioral and social services facility located in Oklahoma City.

John Kennedy, Advisor, Region 3
KY, MI, OH, TN
6/7 – IA, IL, MN, WI

John got his feet wet with computers in the early 80's with his first Atari personal computer. From that he continued with different mainline PCs until he built his first computer when he retired.

John taught elementary school for 25 years and finished his teaching career by teaching computer skills to middle schoolers for 10 years. During those years he was introduced to the Linux operating system. Since retiring, he has spent his time teaching senior citizen computer classes in a joint venture between the ECOTUC and the Licking County Aging Program.

Known around his area as "Free John," John does just about everything on the computer with free and open source software; that even includes his preferred operating system: Linux. John also spends many hours helping both Windows users and Linux users with their computer problems. In addition to heading the Senior Teaching Program, he co-hosts ECOTUC's "Linux Help Desk/SIG" that meets twice a month, and has helped start the "Windows Help Me/Show Me" Help Desk/SIG that meets monthly. He recently started ECOTUC's FF-F&F (Fifth Friday-Focus & Fun) meeting which thoroughly explores one topic on each Fifth Friday. He also runs the "Zoom Meetings" for both the ECOTUC Executive Board meetings and, whenever possible, for the monthly club presentations for those that aren't able to physically attend.

John is a member of the APCUG Speakers Bureau; he has done a number of interactive webinar presentations for computer groups around the country and has often presented at regional conferences in Ohio.

Judy Taylour, Advisor
Region 10 - California
Region 11 - ID, WA
International – Australia and Canada

Judy is a 30-year member of the SCV Computer Club where she serves as president, editor and webmaster. She is also co-facilitator for the Southern California Regional User Group Summit (SCRUGS), a group of technology clubs in Southern California that have gotten together quarterly for over 20 years to share ideas and presenter information, solve problems, etc.

She has been involved with APCUG since 2003 and has served as BODA chair for over 10 years. Judy has given numerous presentations at APCUG's annual conferences, local technology clubs, and webinars via APCUG's Speakers Bureau. She holds various positions in APCUG.

Judy is a proponent of lifelong learning. She taught adult education tech classes for 22 years through her local high school district and has been a member of the Pierce College Computer Applications and Office Technologies Advisory Committee for 15 years. The committee meets annually to suggest courses for the next school year.

She was an active participant in the Southwest Technology & Computer Conference for 23 years and served as chair or co-chair for 21 years.
